Grayling Phone Numbers To Be Changed On September 16th

New, more useful telephone numbers are scheduled for Grayling on September 16. The new numbering plan, called All Number Calling, (ANC), means all Grayling phones will be identified by seven numbers instead of the present two letters (DI for Dickens) and five numbers. Actually, the new numbers won't involve any new numbers won't involve any change in dialing habits because the numbers 3 and 4 will be substituted for the letters D and I (for Dickens). These two numbers cor respond exactly to the D and I holes on the telephone dial. The last five numerals in every Grayling

"THE EXECUTIONER"

The author of the best-selling Bridge Over the River Kwai has executed a complete change of pace in his latest novel. Pierre: Boulle has always written with the keenness of a honed knife, but in The Executioner he is literally writing about one. The book concerns a young Chinese who inherits from his father the executioner's sword and the sacred duties that attend it. His job is simple: to kill.

Readers of his past novels will recognize at once the satiric re-

WEW REFRIGERATOR-FREEZERS EMP ALL DEFROSTING

Today's modern, "carefree-design" refrigerator-freezers end all defrosting in both refrigerator and freezer sections. This means no frost ever—on food packages, ice cube trays or walls—no defrosting

packages, ice tube trays or walls—no defrosting drudgery ever—no scraping, no chipping, no prying, no messy pans of water to empty (or spill). And, the handsome refrigerator-freezer models beautify every kitchen. The interior arrangement is planned for spacious food storage and easy access to food supplies. In addition, the new refrigerator-freezers will:

weeks-conveniently at your fingertips.

• Save extra trips to the market. o Keep leftovers fresh and tasty until needed. Save money because the large freezer compart-ment allows you to buy meats, vegetables and baked goods when prices are low.
